

# SCUM Meeting Minutes

June 1, 2009

The meeting was brought to order at 9 a.m. by Peter Vanderbilt to a full house.

Jack Fisher reported that there was \$2,900 in the bank. A discussion followed regarding a possible upgrade of computers in the computer lab. It was decided that the executive board look into the possibilities and report back to SCUM.

Joe Kimble reported that revisions are being to the "One to One" service at the Apple stores. From the Apple site: "One to One (now) features three different ways to learn. If you prefer to learn face-to-face, Personal Training Sessions offer an uninterrupted hour with a Trainer. As experts in all things Apple, Trainers provide guidance, support, and creative inspiration. If you prefer a small group setting, exclusive One to One Workshops are a unique opportunity for you and a few other members to work with a Trainer on special interest topics."

Edd Dundas announced the next two Photo SIG meetings. They are from 9:30 – 11 a.m.

Monday, June 8th Wilma Velez will present preparing photos for competition and Monday, July 13th Edd will present photo restoration using Photoshop Elements.

## SCUM 411

Handy Tip: A keyboard can be kept clean by covering with a clear plastic bag if you don't want to spend money on a clear plastic keyboard cover.

Q. How can one zoom in on pages

A. Go to System Preferences and click on Universal Access. Then look for button to turn on Zoom. This is just for viewing, not printing.

Q. David wants to know if a CD or DVD can be re-burned.

A. Check to Previous Presentations page on our website for the answer

Q. Carolyn would like a short cut for the degree sign (°)

A. Look at the character pallet in preferences. Using Key Caps you can see the keyboard. Check the website for a short explanation by Fred Offenbach and a piece by Ellen Williams on finding and inserting symbols (PDF's found on the Previous Presentations page of the SCUM Website)

Q. Peter has trouble with lines in pictures

A. Clean printer heads, align printer heads. Check on printer utilities for your printer about head cleaning details.

Dan Bellack made a succinct presentation on cookies. All that information can be found on the website on the Previous Presentations link on the home page.

The meeting was closed at 10:30 a.m.

Respectfully submitted, Betty Torrez, secretary
